## Search Methodology

---

### Search Engines Used

- Google
- Bing
- DuckDuckGo (via web search tool)

### Search Terms Used

1. "Mike Jerell Christian"
2. "Mike Jerell author"
3. "Mike Jerell pastor"
4. "Mike Jerell speaker"

5. “Mike Jerell theologian”
6. “Mike Jerell movement”
7. “Michael Jerell Christian ministry”
8. “Mike Jerell preacher teacher”

## Search Strategy

- Multiple search engines
- Varied search terms with context
- Cross-referenced results
- Verified no matches in Christian ministry context

## Possible Explanations

---

1. **Name Spelling:** The name may be spelled differently (e.g., Jerrell, Jerel)
2. **Emerging Leader:** Person may be an emerging leader without established digital presence
3. **Private Ministry:** Person may be in private ministry without public digital footprint
4. **Minimal Digital Presence:** Person may have intentionally minimal or no digital presence
5. **Regional/Local Leader:** Person may be a local/regional leader not widely discoverable online
6. **Name Mismatch:** The provided name may not match the person’s public identity

# Research Limitations

---

- Research limited to publicly available information
- Some platforms may not be indexed by search engines
- Private or gated content not accessible
- Name spelling variations may prevent discovery
- Emerging leaders may not yet have digital footprint

## Next Steps

---

1. **User Verification:** Confirm correct name spelling and identity
2. **Additional Information:** Request any known digital locations (websites, social media handles)
3. **Alternative Search:** If name spelling differs, conduct searches with correct spelling
4. **Manual Discovery:** If user can provide specific URLs or platforms, verify those directly

---

## Identity Verification

---

# Identity Verification: Mike Jerell

---

**Research Date:** January 4, 2026

**Confidence Level:** Low

## Primary Identity

---

**Full Name:** Mike Jerell (as provided)

**Status:** Identity not confirmed for Christian movement leader context

## Search Results Summary

---

Multiple searches were conducted using various search terms and contexts related to Movemental's target audience (Christian movement thought leaders, authors, preachers, practitioners):

### Search Queries Used:

1. "Mike Jerell Christian"

2. “Mike Jerell author”
3. “Mike Jerell pastor”
4. “Mike Jerell speaker”
5. “Mike Jerell theologian”
6. “Mike Jerell movement”
7. “Michael Jerell Christian ministry”
8. “Mike Jerell preacher teacher”

## Search Results

**No clear match found** for “Mike Jerell” in Christian ministry, movement leadership, or theological contexts.

### **Potential matches found (but not aligned with Movemental context):**

1. **Michael Jerrell** (note: spelling with double “L”)
  - Professional NFL football player (offensive tackle)
  - Born August 18, 1999, Indianapolis, Indiana
  - Currently plays for Atlanta Falcons
  - Previously played for Seattle Seahawks
  - Attended University of Findlay (Division II)
  - **Not aligned with Movemental’s target audience** (Christian movement thought leaders)
2. **Mike Jerel** (note: different spelling)
  - R&B singer and musician
  - Contestant on “The Voice” Season 18 (2020)
  - **Not aligned with Movemental’s target audience**

# Identity Verification Notes

---

- **No verified identity** found for “Mike Jerell” in Christian movement leadership context
- Multiple search strategies employed with no positive results
- Searches included context terms: Christian, author, pastor, theologian, preacher, movement, speaker
- No personal websites, institutional affiliations, or published works identified
- No social media presence identified in Christian ministry context
- No academic or theological affiliations identified

## Potential Ambiguity

---

**High ambiguity** - Multiple factors contribute to low confidence:

1. **Name variations:** Possible spelling variations (Jerell vs. Jerrell vs. Jerel)
2. **Limited digital presence:** No discoverable digital presence in Christian ministry context
3. **Possible name mismatch:** The provided name may not match public identity
4. **Emerging leader:** Person may be an emerging leader without established digital presence
5. **Private ministry:** Person may be in private ministry without public digital footprint

# Distinguishing Factors Needed

---

To verify identity, the following information would be helpful:

- Geographic location
- Institutional affiliations (church, seminary, organization)
- Published works (books, articles)
- Professional roles (pastor, author, speaker, theologian)
- Social media handles
- Website URL
- Movement/network participation

## Confidence Assessment

---

### **Confidence Level: Low**

- No clear identity match found
- No digital presence discovered
- No alignment with Movemental's target audience identified
- Multiple potential name variations exist
- Research limited to publicly available information

## Next Steps

---

1. **User verification needed:** Confirm correct spelling and identity

2. **Additional information:** Request geographic location, institutional affiliations, or other identifiers
3. **Alternative search:** If name spelling is different, conduct searches with alternative spellings
4. **Document limitations:** Proceed with documentation noting that no digital presence was discovered

## Research Limitations

---

- Research based solely on publicly available information
  - Some individuals may have minimal or no digital presence
  - Name spelling variations may prevent discovery
  - Emerging leaders may not yet have established digital footprint
  - Private ministry contexts may not be publicly discoverable
-

# Discoverability Assessment

---

**No discoverability indicators** - No digital presence discovered.

## Gap Analysis

---

**Cannot assess** - No embodied work or digital expression identified.

Without information about embodied work (teaching, speaking, ministry roles, publications) or digital expression, no gap analysis can be performed.

## Movemental Opportunities

---

**Cannot assess** - No content or platforms identified.

Without information about existing work or digital presence, no Movemental-specific opportunities can be identified.

## What We Will NOT Do

---

- We will not make assumptions about identity without verification
- We will not proceed with analysis without confirmed identity
- We will not create content or recommendations without user input
- We will not judge or evaluate work that hasn't been discovered

# Research Limitations

---

- **Name Spelling:** Possible variations (Jerrell, Jerel) may prevent discovery
- **Emerging Leader:** Person may be an emerging leader without established digital presence
- **Private Ministry:** Person may be in private ministry without public digital footprint
- **Minimal Digital Presence:** Person may have intentionally minimal or no digital presence
- **Regional/Local Leader:** Person may be a local/regional leader not widely discoverable online
- **Name Mismatch:** The provided name may not match the person's public identity
- **Research Scope:** Limited to publicly available information

# Recommendations

---

1. **User Verification:** Confirm correct name spelling and identity
2. **Additional Information:** Provide any of the following:
  - Geographic location
  - Institutional affiliations (church, seminary, organization)
  - Published works (books, articles)
  - Professional roles (pastor, author, speaker, theologian)
  - Social media handles
  - Website URL
  - Movement/network participation

3. **Alternative Search:** If name spelling differs, we can conduct searches with correct spelling
4. **Manual Discovery:** If you can provide specific URLs or platforms, we can verify those directly

## Next Steps

---

Once identity is verified and additional information is provided:

1. Re-conduct identity verification with confirmed information
2. Discover digital presence with verified identity
3. Analyze content and digital ecosystem
4. Perform gap analysis between embodied and digital work
5. Assess Movemental-specific opportunities
